Decision: The 8 to 9 Month Retreat is a serious and sacred undertaking! Some are at a place in their life where they may not benefit from or be ready for this particular retreat format. Sometimes a shorter retreat option may be best, or some more preparation time in spiritual direction. Based on your application, your conversation with us, our retreat team may recommend the 19th Annotation format or may suggest the 5 or 8-Day retreats as an alternative before re-visiting this longer retreat in the future.
